

**Saturday, September 15th 2012**  
**11 AM - 4 PM at the Home Park Community Garden**

**(Home Park is next to the Sydenham Library. Signs will lead you to our garden from there.)**

Come and have a look at the results of the gardeners' hard work over the summer!  
Seize the opportunity to take a look at the well-kept beds and talk to stakeholders.

Expert gardener in residence, Liz Cranwell-Ward will be giving a talk.
